Prior to the release of the State Plan application for CSBG CARES Act funds, the DCAA Administrator and DCAA CSBG Program Manager provided CSBG CARES Supplemental information to ICAA and the agencies as it was made available. This included providing CSBG Information Memorandums, CSBG Dear Colleague Letters, invitations to HHS/OCS and National Association for State Community Services Programs (NASCSP) webinars, and federal and state guidance documents related to the CSBG CARES Supplemental.

Through electronic meetings and conference calls in April, May, and June, the DCAA Administrator and DCAA CSBG Program Manager reviewed and had planning discussions with ICAA, the agencies’ Executive Directors, and/or CSBG staff on the following CSBG CARES Supplemental topics:

- Purpose and use of funds
- Procedures for distributing and allocating the funds
- Procedures for releasing available funds
- Client eligibility criteria and determinations
- Procedures for issuing contracts and applications
- Reporting and processing expenditures of funds

August 6, 2020: The DCAA Administrator and DCAA CSBG Program Manager attended ICAA’s Board of Directors’ meeting. The CSBG Program Manager provided information about the Supplemental State Plan, the DCAA’s Supplemental State Plan development process, and reviewed the Supplemental State Plan development and submittal timeline.

August 7, 2020: The DCAA distributed, by e-mail, copies of the Supplemental State Plan and a document that summarized each section of the Supplemental State Plan to ICAA, the agencies’ Executive Directors, and ROMA Subgroup members. The DCAA directed ICAA, the Executive Directors, and ROMA Subgroup members to review the Supplemental State Plan and submit comments to the DCAA during the public inspection period.

Prior to the DCAA submitting the Supplemental State Plan to the Office of Community Services, the Iowa Commission on Community Action Agencies (the DCAA’s governing body) reviewed the Supplemental State Plan, acted on it during their August 20th meeting, and approved it for submission.

Persons, partners, and stakeholders wanting to comment on the Supplemental State Plan were directed to send their comments, by e-mail, to the DCAA. The DCAA, ICAA, and the agencies posted the public inspection notice on their public bulletin boards and websites.

The DCAA reviewed and discussed the Supplemental State Plan, including the public inspection comments received, with the Iowa Commission on Community Action Agencies (the DCAA’s governing body) during their August 20th commission meeting. Section 6: Organizational Standards for Eligible Entities

For the purposes of the CARES Act, the Office of Community Services accepts the data submitted by the state in Section 6 of the most recently submitted CSBG State Plan (as dated in Section 1 of this Supplemental State Plan), and seeks no additional information.
Section 7: State Use of Funds

Eligible Entity Allocation (90 Percent Funds) [Section 675C(a) of the CSBG Act]

7.1. **Formula:** Select the method (formula) that best describes the current practice for allocating CSBG funds to eligible entities.
- Historic
- Base + Formula
- Formula Alone
- Formula with Variables
- Hold Harmless + Formula
- Other: FORMULA + FLOOR

The following are Iowa’s CSBG program procedures for allocating Iowa’s CSBG allotments to Iowa’s community action agencies. Iowa uses a FORMULA + FLOOR allocation method:

**Step 1:** FORMULA: 96% of Iowa’s CSBG allotment is allocated to the Iowa community action agencies using state poverty data. Iowa’s poverty data (individuals at or below 125% of the U. S. Department of Health and Human Services Poverty Guidelines) from the U. S. Census Bureau’s 2010 decennial survey is used to calculate each agency’s percentage of the state’s poverty population.

**Step 2:** FLOOR: Iowa’s CSBG minimum allocation level for agencies is $160,000. After the CSBG funds are allocated to the agencies using state poverty data (Step 1), the agencies with an allocation amount lower than $160,000 are identified and their allocation is raised and set at $160,000.

**Step 3:** **SUBSIDIZING THE FLOOR:**
1) The amount of CSBG funds needed to raise agencies to the FLOOR is calculated. This is the subsidy amount.
2) Agencies that had an increase in their percentage of the state’s poverty population, calculated using the data from the U. S. Census Bureau’s 2000 and 2010 decennial surveys, subsidize the FLOOR. The subsidy shares for each agency required to contribute to the subsidy are calculated and then their allocation is reduced by the amount of their subsidy share. The following are the four agencies that contribute to the subsidy and the percentage of the subsidy (share) they are responsible for: IMPACT Community Action Partnership (60% of the subsidy), Hawkeye Area Community Action Program (26%), Mid-Iowa Community Action (9%), and Community Action of Southeast Iowa (5%).
7.2. **Planned Allocation:** Specify the percentage of your CSBG planned allocation that will be funded to eligible entities and “not less than 90 percent funds” as described under Section 675C(a) of the CSBG Act. In the table, provide the planned allocation for each eligible entity receiving funds for the fiscal year(s) covered by this plan.

10.2 CSBG CARES Supplemental Monitoring Approach (IOWA)

The Division of Community Action Agencies (DCAA) informed the Iowa Community Action Association (ICAA) and Iowa’s community action agencies of the DCAA’s planned CSBG CARES Supplemental monitoring schedule and monitoring approaches during ICAA’s August 6th Board of Directors’ meeting.

To ensure all agencies receive at least one CSBG CARES Supplemental onsite review or desk review during the CSBG CARES Supplemental contract period, the DCAA will conduct integrated CSBG program monitoring (regular CSBG program and CSBG CARES Supplemental) and CSBG CARES Supplemental only monitoring during federal fiscal years 2021 and 2022.

For integrated CSBG program monitoring, the DCAA will conduct the reviews according to Iowa’s CSBG program monitoring policies and procedures with the following exceptions. In addition to conducting a regular CSBG program review, the DCAA will review the following as it relates to the CSBG CARES Supplemental: client services and benefits provided, client income and eligibility determinations, client income eligibility for general/short term services procedures, community-targeted services, client services and outcomes tracking and reporting, and equipment purchases.

For CSBG CARES Supplemental only monitoring, the DCAA will review the following as it relates to the CSBG CARES Supplemental: client services and benefits provided, client income and eligibility determinations, client income eligibility for general/short term services procedures, community-targeted services, client services and outcomes tracking and reporting, and equipment purchases.

In addition to integrated CSBG program monitoring or CSBG CARES Supplemental only monitoring, all the agencies will receive a CSBG fiscal review during federal fiscal years 2021 and 2022. CSBG fiscal reviews will be scheduled and conducted by the Iowa Department of Human Rights (DHR) fiscal monitors. At a minimum, as it relates to the CSBG CARES Supplemental, the DHR fiscal monitors will examine financial transactions, review payroll time sheets, confirm adherence to fiscal policies and procedures, and confirm compliance with the conditions of monthly funding requests and advances.

All monitoring will be conducted onsite provided there are no health or safety concerns. The DCAA or DHR will reschedule an agency’s onsite monitoring to a later date or conduct the monitoring by desk review if there are health or safety concerns.

Annually, when the DCAA reviews its CSBG program monitoring policies and procedures, CSBG program monitoring tools, and CSBG organizational standards assessment tools with ICAA and the agencies, the DCAA will review the CSBG CARES Supplemental monitoring schedule and monitoring approaches for the year.

15.2. Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.465 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements
(Instructions for Certification)

(1) By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

(2) The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

(3) For grantees other than individuals, Alternate I applies.

(4) For grantees who are individuals, Alternate II applies.

(5) Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

(6) Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

(7) If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

(8) Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

- **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);
- **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;
**Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).

**Certification Regarding Drug-Free Workplace Requirements**

Alternate I. (Grantees Other Than Individuals)
The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -
   (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
